

SOCIAL AND PERSONAL.

The marriage took place on Thursday, April 23rd, at the Bourke Street Synagogue, Melbourne, Australia, of Miss Jean Barrkman (Johannesburg) to Mr. Marcus Marks (Sydney).

Mr. Mark Hambourg, the pianist and composer, arrived at Capetown on Monday morning last, and begins his tour of South Africa. This will be his fourth tour, the last occasion being in 1921. He is accompanied by Mrs. Hambourg.

The engagement is announced of Ethel, daughter of Mr. and Mrs. S. Zin, Capetown, to Isaac Kushlick, Benoni High School, second son of Mr. and Mrs. M. Kushlick, Capetown.

Miss Rachel Hersch, who left Johannesburg for further musical study in London, and who a few months ago obtained the Incorporated London Academy of Music gold medal for pianoforte playing and acquired her teacher's diploma in a variety of subjects, has just returned to Johannesburg, where she intends to carry on teaching. She is at present working in co-operation with Mr. Pritchard, the director of the Johannesburg Musical Society.

Amongst the successful candidates for the degree of M.B., Ch.B., of the University of Aberdeen, Scotland, appears the name of Philip Bayer, who passed the examination with distinction. Dr. Bayer is the only son of the late Mr. S. J. Bayer, of Taungs, and is a cousin of Dr. J. M. Bayer, district surgeon of Klipdam.

Mr. and Mrs. J. Sless, 129, Pritchard Street, Johannesburg, have received news that their son, Dr. M. Sless, who qualified some time ago at Trinity College, Dublin, has been appointed resident medical officer to the Royal City of Dublin Hospital.

"DADDY LONG-LEGS."

A play full of human interest is that in which Miss Renee Kelly is now appearing at His Majesty's Theatre. It is altogether a delightful production in which this distinguished London company of artistes are assisted by local professional talent. The master hand of Mr. Leon M. Lion as producer, has resulted in the moulding of a smooth and enjoyable performance. The sweet charm of Miss Kelly's acting is greatly enhanced by the excellent co-operation she receives in the work of Mr. Hylton Allen, Miss Margaret Damer and others.

In spite of its success, "Daddy Long-Legs" will have to make room for a Barrie play now in preparation, entitled "A Kiss for Cinderella." D.
