**'THE CAT AND THE FIDDLE'**

The attraction this week at the Metro Theatre is the appearance of those two fine stars, Ramon Novarro and Jeanette MacDonald, in the "Cat and the Fiddle." **USER SAYS 'ASPRO' SAVED FAMILY HUNDREDS OF POUNDS**

Beach Road, Three Anchor Bay, Cape Town. Dear Sirs, There are six of us in the family, three females and three males. The whole six of us have taken 'ASPRO' for seven years, and I can honestly say, together with my family, they have saved us hundreds of pounds in that time. Being all workers, there have been times when we certainly should have lost time through fealing out of sorts, such as violent colds, headaches, neuralgia, indigestion, and a dozen other ailments which would have put us out of our usual daily stride. I can assure you they are a national asset and perfectly harmless, and no family should be without them. It was with a sigh of relief when I found they could be obtained in the Union of South Africa. You can publish this letter if you care to.—Yours faithfully, W. J. F.
