P O Box 1138
JOHANNESBURG

Dear Neil,

For the first time I can respond formally to your letter of 9 February 1986, in which you offer me the opportunity of writing for Business Day and the Financial Mail.

I am quite happy to do so on a regular basis, but now that there has been a change of Editors in both camps, perhaps they would like to reconsider.

Please let me know and if they do not wish me to write, I am quite happy to accept it.

Best wishes,

Yours sincerely,

DR F VAN ZYL SLABBERT
