## GOLDEN CITY QUEEN

The Golden City Queen elections in aid of the Governor-General's National War Fund will start this month. Here is the time table for the next few months:

October, 1941: As far as possible, the 5,000 recipients of invitations to appoint candidates will be contacted and where necessary meetings of associations, staffs, etc., will be addressed and the scheme explained in detail. It is hoped that all candidates will be elected by the end of October.

November, 1941, to January 14th, 1942: Candidates will go all out to secure as many 6d. votes for themselves as possible by means of fund-raising functions. Books of tickets will soon be available, and each 6d. ticket will represent a vote.

A pageant will be held on January 14th and succeeding days, when about 60 unit queens will be selected.

Mr. Harry Landau is chairman of the Golden City Queen Committee and Mr. Michael Miller has been invited to become vice-chairman.

## SUCCOTH SOCIAL NEXT WEDNESDAY NIGHT

### A Zionist Socialist Function

An enjoyable evening is promised for next Wednesday night, October 15th, when the Zionist Socialist Party will hold a Succoth Social at the Coronation Hall. This function marks a new departure for the Party, which up till now has concentrated on cultural meetings.

Attractive features of this purely social Succoth function will be dancing (with an excellent floor and splendid swing band), a buffet supper, songs by Viera Kanevska, Miss Freda Marcus and Cantor Breitman, and entertaining items by Mr. J. Fine.

The social starts at 8.30 p.m., and it is hoped members and friends will attend in large numbers.

## WAKE UP YOUR LIVER BILE —

Without Calomel—And You'll Jump Out of Bed Full of Vim and Vigour.

Your liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those famous Carter's Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Look for the name Carter's Little Liver Pills on the red package. Refuse anything else. Price: 1/6.

## EXCELLENT CONCERT FOR THE NAVY LEAGUE

With so much first-class talent on his programme, the concert organised by the well-known Cantor, Albert Lubliner, at the City Hall last Saturday night in aid of the Navy League War Fund, could not be anything but a success, and every performer had to respond to two and even three encores.

Features of the evening were the violin playing of four-year-old Billy Passmore, of Durban, who was making his first public appearance, and Joseph Traunick's Symphony Orchestra. Those contributing to the programme were David Langdon and Mrs. Stanley Anderson Hugh Marleyn, Sandra van der Merwe, Dirk Lourens, Rita Roseman, Edward Smurthwaik, Rachele Wainer, Mareon Isaacs, Mdme. Hooper-Rees' Ladies Choir, Clarence Johnston, All-Moorey, Marjorie Ward, Denise Bhakmore, Ann Nell, Miriam Lopert, Dorothy Hall, Madam Leah Williams and Irene Margo. Sergeant Morry Blake compered in efficient manner. Cantor Lubliner is deserving of congratulations for an excellent entertainment.

## RAND EPILEPTIC EMPLOYMENT ASSOCIATION

### New Hostel to be Opened at Craighall

The Rand Epileptic Employment Association, which employs a class of semi-fit men, known as non-certifiable epileptics, is opening its new Hostel at Craighall Park, on Wednesday, the 22nd October. The opening ceremony is to be performed by His Excellency the Governor-General, and promises to be a very interesting event.

The opening of the new Hostel marks an important stepping stone in the work of the Association, which rehabilitates men who, by reason of their unfortunate handicap, are unable to find employment in a normal sphere of work. They are taught horticulture and poultry-keeping at the Association's farm, and are paid a small wage for their work. In this manner the Association endeavours to foster amongst these people a spirit of independence, and thereby prevents them from becoming derelicts.

## Vrede

Mrs. C. Rabinowitz, the hon. secretary of the Jewish Ladies' Guild, has forwarded to the S.A. Jewish Orphanage the sum of £2 2s., being proceeds of a function held at the residence of Mrs. M. Sandelowitz.

## "Sea Hawk" at Standard

Errol Flynn is at his handsomest and most dashing in the "Sea Hawk," which is being shown at the Standard this week. All those who missed this exciting epic of the sea at its first showing in Johannesburg should take the opportunity of visiting the Standard this week. Performances at this cinema are continuous, which is certainly an added attraction for the public.

## Around the Cinemas

### "The Sea Wolf" at Colosseum

The film version of the world famous novel by Jack London, "The Sea Wolf," now showing at the Colosseum, stars Edward G. Robinson, Ida Lupino and John Garfield. "The Sea Wolf" is considered one of the first American "realistic" novels. Published in 1903, it was an immediate best seller, and has continued to hold its popularity with successive generations of readers. It is the powerful story of Larsen, played by Edward G. Robinson, the epitome of all fighting, roistering and vicious men of the sea fleet. An exciting and thrilling film, it is bound to attract thousands of cinema-goers this week.

### "Golden Gloves" at Plaza

Romance by Richard Denning and Jean Cagney, sister of the famous Jimmy, menace by the veteran J. Carroll Nash, and the well-known humour of William Frawley go to make up extremely pleasing screen fare in "Golden Gloves," the film now showing at the Plaza. The film tells the story of a young amateur boxer who, for the sheer love of sport, battles his way to the heavy-weight championship in the face of opposition from his sweetheart and the scheming of petty fight racketeers.

### "Love Thy Neighbour" at Empire

The feud between Jack Benny and Fred Allen is the theme of the film, "Love Thy Neighbour," coming to the Empire. There is, however, ample provision in the story for romance, pretty girls, hit tunes, delightful dancing and other ingredients of successful comedy musicals. Benny and Allen receive wonderful assistance from a supporting cast which includes Mary Martin, Veree Teasdale, Virginia Dale, the Merry Macs and Rochester (Eddie Anderson).

### "The Girl in the News" at Metro

The film now showing at the Metro is something entirely new in murder mysteries. It is unusually gripping and excitingly different. Margaret Lockwood and Barry K. Barnes play the leading roles in this show and both Emlyn Williams and Basil Radford put up very good performances. This film is one which should not be missed by filmgoers, particularly those fond of mystery thrillers. The supporting programme is well up to the usual standard.
