Dr F. Van Zyl Slabbert,  
Houses of Parliament,  
Cape Town.

Van,

Enclosed is a set of three questions we intend running as the basis of a leader page spread this Sunday.

We intend putting the questions to the opposition parties and publishing the replies.

I'm sorry that it is such short notice but I would ask if I may have your replies by Thursday afternoon. We need a maximum of 1300 words, and are aiming for specific responses to specific situations.

Peter Mann.
