Hoffmann, gave an interesting talk on "The Philosophy of the Hebrew National Revival." Recitations were rendered by Clara Friedman, Lina Stander, Thelma Daitsh and Rachel Leiserowitz. United Hebrew Schools.

The annual general meeting will be held on Sunday, 5th September, at the Zionist Hall, at 10 a.m.

Muizenberg Talmud Torah "Oneg Shabbos."

The Muizenberg Talmud Torah had an "Oneg Shabbos" on Saturday afternoon at the Talmud Torah Hall. This was a great success; the hall was crowded with enthusiastic children and even more enthusiastic parents.

The Chairman, Mr. Shagam, welcomed Dr. B. Rabinowitz, Inspector of Hebrew Schools, and parents of the Muizenberg children.

Mr. Natas, the principal of the Talmud Torah, then called upon the children, who sang Hebrew songs and rendered recitations and stories in a lively and fluent Hebrew. Refreshments were then served.

After the interval Dr. Rabinowitz addressed the children in English, explaining to them in a very interesting manner the actual meaning of the Shabbos and the Jewish New Year. He then addressed a few words in Yiddish to the parents, stressing the importance of the Talmud Torah and the attitude of the parents towards the Talmud Torah.

Mr. Shagam then proposed a vote of thanks to Dr. Rabinowitz and also to Mesdames Jocum and Satusky and Miss Guinsburg, in whose very capable hands the catering had been placed.

The "Hatikvah" terminated the "Oneg Shabbos."

Bnoth Zion Association.

A general meeting of the Maitland Branch was held at the residence of Mrs. Stoltzman, St. Ann's Street, Maitland, on Tuesday, 31st August. There was a fair attendance of members. Mrs. M. Kramer was in the chair.

Miss Maggie Oblowitz spoke on some of the problems facing Congress with particular reference to Partition. After tea was served, questions were asked and a general discussion took place.

The meeting closed with a vote of thanks to the speaker proposed by Mrs. S. Sieff, and a vote of thanks to the hostess, proposed by Miss L. Kramer.

The Mark Hambourg Concert.

Mark Hambourg needs no introduction in South Africa, and a fair-sized audience attended the opening concert of his tour on Tuesday night. The main item of his programme could not have been better chosen. Mr. Hambourg is chiefly celebrated as an exponent of Beethoven, and the "Appassionata" gave full scope to his wide range of technique and feeling. The slow movement, especially, made a deep impression. The playing of the Chopin group was sensitive and delicate, but at times one felt the bass was over-emphasised. Of the other short pieces, a spirited rendering of Liszt's Hungarian Rhapsody No. 10 was particularly effective.

In his share of the programme Mr. George Baker showed himself possessed of a fine baritone voice, which was most appreciated in the lighter pieces, such as the two songs from "Iolanthe" and the amusing Handel Skit by Hely Hutchinson, "Mother Hubbard."

Local music-lovers are fortunate in hearing another international celebrity so soon after the Elman concerts. It is time we had a new piano, however—Mr. Hambourg seemed not quite at ease upon the present instrument at the beginning of the "Appassionata." M.

Cape Zionist Youth Activities

CAPE ZIONIST YOUTH EXECUTIVE.

Youth J.N.F. Conversazione. Dr. H. W. Altschul, in addressing a well attended Youth J.N.F. Conversazione held at the Zionist Hall on Sunday night, the 29th August, 1937, dealt with the "Future of the J.N.F." Condemning the prevalence of non-committalness, Dr. Altschul proceeded to discuss the present and visualise the future. As far as the inner conceptions of the Keren Kayemeth LeYisrael are concerned its aim for the future is to obtain by purchase or gift all the land comprised within the ancient borders of Eretz Israel and to hold it as inalienable till it could be handed over to the future Jewish State to be held as inalienable State domain.

At the moment out of 50 million dunams of land in Palestine (including Tarns-jordan) the total Jewish holding is about 1½ million dunam, and of that the J.N.F. possesses about one third. Referring to Partition Dr. Altschul said that it behoved the S.A. Jewish Youth to gather their forces to fight against it. In the discussion which followed the following participated: Messrs. M. Shevelev, R. Kotlowitz, S. Rechtman, and G. Gitlin. The Misses Myrtle Kaplan and Doreen Meyers provided items which were appreciated by the gathering.

Youth Choir. The services of Mr. Himmelstein have been obtained as choir-master. Those interested are requested to attend the first rehearsal on Sunday, 5th inst., at 10.30 a.m., at the Zionist Hall.

Young Israel Ball. The Arthur's Seat Hotel was the meeting point of the Cape Zionist Youth Movement on Saturday night, when the 14th Y.I. Ball was held. To the music of Harry Hecker and his Band, dancing was enjoyed to the full by the large number present.

The entrance to the ballroom was tastefully decorated in blue and white and looked most effective.

Little Miss Mignon Furman and her young sister provided an interlude of tap dancing which was greatly appreciated. The Committee responsible are to be congratulated on a highly successful event.

Variety Concert. Rehearsals are already in progress for the Variety Show which is to be held in October. The production is in the capable hands of Mr. Julian Harris. All those desirous of taking part are requested to get in touch with the Secretary, 85, Plein Street, Cape Town.

MUIZENBERG Y.I. SOCIETY.

At the last meeting the usual reminders with regard to subscriptions, Menorah and Library having been made by the Chairman, Mr. I. Cohen, a paper on the Jewish National Fund was read by Miss N. Haft. This was followed by a talk given by Miss L. Guinsberg on her experiences during her Palestinian tour. Miss Guinsberg gave the audience a vivid description of the circumstances under which the pioneers in the construction of the homeland were labouring. The significance of the High Festivals was discussed by Mr. I. Saacks. A very successful mock Congress was the last item on the evening's programme which concluded with the singing of Hatikvah.

Owing to pressure of space further "Youth Activities" have been held over.
